Site plans are produced from a combination of O.S. digital Superplan data and other topographical or measured survey. Care should be taken when measuring from one system to another. O.S. information is for guidance only.

Whilst reasonable care is taken in the preparation of floor details and descriptions they are for guidance only. Local requirements may cause details to be varied. All dimensions are approximate and should be checked from site.
These details do not constitute any part of an offer or contract.

On no account may this drawing be scaled.
Any discrepancy in the figured dimensions is to be reported immediately.
Contractors must check all dimensions from site.
