Description

We are delighted to bring to the market this sought after main road fronting retail property, that is ready to trade as a small convenience store.

The ground floor comprises retail area, rear stores and first floor storage and wc facilities.

The first floor may be used as a residential flat, however, there is currently no kitchen installed.

Externally there is communal parking to the front and convenient side access to a steel loading door, which runs directly into the stockroom.

The property is situated at the end of a small parade and the frontage is double size with a central glazed entrance door, behind security shutters.

Internally there are various items of equipment and stock, enabling it to be ready for immediate occupation and trade. There is also an external ATM cash machine facility, with rental terms to be agreed directly with the existing provider. However, we have no information in this regard.

A new lease is available direct from the Landlord and the business going concern, fixtures and fittings and stock are available for purchase separately by negotiation.
