Location

The property is situated on Finlan road in Widnes, with access via Ashley Way (A562), which in turn provides access to Speke road/Queensway.

The Runcorn bridge affords access to Manchester and Chester via the M56. Liverpool John Lennon Airport and Manchester Airport are both within 30 minutes drive and intercity rail services operate regularly from Runcorn.

Ashley Way runs directly to the rear and the property boasts a substantial elevation onto the road, giving an occupier potential for high profile signage and advertising, clearly visible to the large volumes of traffic passing in both directions.

Description

We are delighted to bring to the rental market a large, open warehouse space with a high metal clad roof, boasting a 6 meter internal eaves height. Several rectangular skylights in the ceiling allow natural light to filter in, creating soft illumination across the area and two long rows of heavy-duty pallet racking run parallel down the length of the warehouse. There is a smooth concrete floor ideal for storage and movement of pallets or machinery.

The unit has multiple access points through a main door accessible directly on Finlan Road, next to this entrance is a manual roller shutter which smaller vans and vehicles can easily enter. Additionally there is a raised loading bay which larger items are able to load and unload with assistance from this dock level loading bay.

A small W/C and kitchenette facility will be installed in a location convenient to the tenants reasonable specification.
